## Stuck up Berden??

Posted by john - 2006/11/03 09:37

---

I have been told that a local website contains a message which is very critical of Berden, complaining it is cliquy and stuck up and is where the rich play croquet!!

Can anyone tell me where it is or, better still, copy it onto this site so we can all laugh!

Has Meldrew struck again??

John
